[ˈvɔʁtʃʌts]

— ZUR SPRACHE KOMMEN —

## SWISS NATURALIZATION PREPARATION

Choosing to apply for Swiss citizenship is a significant milestone for families and individuals!  
**Wortschatz is ready to help you be successful.**

Part of the application process to be considered for Swiss citizenship includes two spoken interviews.

### SPRACHSTANDSANALYSE EINBÜRGERUNGSGESPRÄCH

The application requires a significant commitment of time and money — make sure you're ready to have the best experience possible.

#### WORTSCHATZ

- Prepares you for the relevant topics that are addressed during the interviews\*.
- Coaches you for the interview by emphasizing spoken German that is appropriate to your level.
- Has a proven track record of successfully training people for the interviews.
- Offers flexible scheduling with instruction at the location of your choice (Basel-Stadt or Riehen).
- Allows up to two participants per series of lessons.

#### WHAT OTHERS HAVE SAID:

"Christoph is an extremely professional and well qualified language coach. I feel more confident going into different situations, both at work and in my everyday life. His methods build confidence and he has encouraged me to speak and focus less on the technicalities of German grammar. This is exactly the type of language learning I was hoping for."

\*Please note: at this time, we can only support people applying in Basel-Stadt or Riehen.
